Your new BUNDLE has 9 parts to it:

1. Master score pdf with SATB piano part as in the regular Children’s Songbook, enhanced piano accompaniment and countermelody. Children or adults singing the melody can use the regular Children’s Songbook - separate scores are only needed for the conductor, pianist and those playing or singing the countermelodies. Both accompaniments work for the melody as written in the Children’s Songbook.
2. Countermelody pdf score alone. This countermelody can be used on some or all verses.
3. Practice track mp3 for the countermelody.
4. Enhanced piano accompaniment score pdf - for ease of use for pianists. Includes just piano part and melody/words.
5. Enhanced piano accompaniment practice track mp3.

- It is also a good idea to have a sound check prior to a performance, especially if more than singers and a pianist are involved.
- Our music is great for doing a special performance in a simple way. Fancy up a song with our enhanced piano accompaniment or add a vocal or instrumental countermelody. It is simple and easy to prepare and can be used in a multitude of ways. Adapt our arrangements to your ward’s needs and abilities. Invite the spirit into your meetings by making our beloved children’s songs extra special.
