2024 Hymns and Primary Songs Planner

~ supplement to the Home and Church Book of Mormon Study ~

**Suggested Hymns and Primary Songs of the
Church of Jesus Christ of Latter-day Saints for 2024**

Welcome!

Elevate Your Book of Mormon Journey!

There is a powerful relationship between music and scriptures. We know that music enhances our spiritual experiences and will enhance our study of the Book of Mormon this year.

When we listen to and sing these inspired hymns and Primary songs, we engage not only our minds but also our hearts and spirits. Moreover, music has the power to create a sacred atmosphere, one that is conducive to studying and pondering the scriptures. Just as the surroundings of a beautiful chapel or temple can enhance our spiritual experiences, so too can the melodies of hymns and Primary songs create an environment that is conducive to personal revelation.

I am so happy that the Church study program this year has everyone singing hymns AND Primary songs. Members of the Church of all ages need both types of music. Children can learn hymns and adults often benefit from the beautiful simplicity of the Primary songs.

In this planner, we have compiled all the lists of hymns and Primary songs suggested for our study of the Book of Mormon in 2024. There is a planner page for each week of the year. Each one contains the following lists:

1. Suggested Primary songs for the current month
2. Suggested Primary songs for the following month
3. Suggested hymns and Primary songs for that week from “Come, Follow Me Home and Church: Book of Mormon 2024”
4. Hymns from the “Scriptures” index at the back of our current hymnbook (p. 410)

There are also calendars on each page and an area for making notes and plans.

ALL the lists... ALL in ONE place! Make your music planning so much easier this year!
